Join us for our virtual Missing Middle Housing: Thinking Big and Building Small to Respond to Today's Housing Crisis event with **special guest** Dan Parolek.

Parolek created the concept of **Missing Middle Housing** in 2011 to define the **gap in housing** between single family homes and larger condo buildings and to **provide resources** to enable communities to meet the growing demand for **walkable urban living**.

The event will include:

- Defining Missing Middle Housing
- Sharing best practices
- Dispelling Missing Middle Myths
- Identifying a shared terminology

Who Should Attend:

Everyone is welcome, but real estate agents, developers, property managers, local governments, housing authorities, chambers of commerce, architects, homebuilders, and planning firms will all be interested in this dynamic and informative webinar.
